NOTE FOR: DDA

SUBJECT: Reception for East Asian
Scholars

As part of our effort to recruit good people for OEA, we are sponsoring a one day conference for a select group of academics who can help steer promising applicants to the DI and CIA over the longer pull. We would appreciate your attendance at the reception in the EDR, scheduled for 1730-1930 on 11 April 1986, that will cap the event.

Our objectives for the gathering are to acquaint the participants with who we are and what we do, to keep the presentations heavily substantive, to engage our guests in a dialogue on issues in the region, and to demonstrate to them the kinds of opportunities and challenges we can offer their best students. In the process, we also plan to describe our external analysis goals and other programs that benefit both the DI and academia, such as the scholar-in-residence arrangement. The list of attendees is attached.
